

## EASILY WINS TIDAL STAKES

The Turk, Ridden by McGee, Takes Feature of Sheep-head Card.

Sheephead Bay, N. Y., June 22.—The Turk, admirably ridden by McGee, easily won the \$2,000 Tidal stakes today. His time, 2:03 4-5, was within four-fifths of a second of the track record. Prince Imperial and Grammer made the pace with The Turk trailing to the upper turn, when McGee began to let out The Turk. The colt responded gamely, and coming to the outside took the lead at the furlong pole and won by four lengths from Dalmatian, with Prince Imperial third.

Steeplechase Jockey Huppe was badly injured when his mount, Gold Pate, fell in the steeplechase. He was removed to the hospital in bad shape.

Small prices were realized at the second day's sale of yearlings held at Sheephead Bay to-day. A Belmont paid \$1,300 for a filly by Ormondale-Lux Caster.

S. C. Hildreth bought a colt by Curran-Tower out of Candies for \$1,605. R. T. Wilson, Jr., paid \$1,000 for a yearling by Ormondale-Futurita. Summaries:

First race—selling, two-year-olds, \$500 added, five and a half furlongs, futurity course—White Wool (5 to 1) first, Ladacette (5 to 2) second, Swish (4 to 1) third. Time, 1:08.

## WALKER SALE IS MOSTLY PIFFLE

Omohundro Doesn't Know About \$2,500 That Chance Paid for Him and Neither Does Walker.

The well-founded, although confidential, rumor that Carl Walker had been purchased by Frank Chance, of the Norfolk Nationals, hasn't reached Norfolk yet, and President Omohundro, of the Norfolk Baseball Club, doesn't know anything about it. Carl Walker didn't know about it last Saturday, and in all probability hasn't been advised of it yet.

Walker has won six out of the twelve games he has pitched for Norfolk this season and tied one. He has played in rank with a number of the games thrown away by fielding errors. He is considered one of the best that Norfolk has, and neither Win Clarke nor President Omohundro is going to part with him unless something big happens.

President Omohundro last night said that he knew nothing about the matter, and the following statement from him came from Norfolk: "The report that Carl Walker, of the Norfolk team, has been sold to the Chicago Nationals for August delivery, or for any other delivery, is news to me. I am not a member of the club, and if any such deal had been pulled off," said President A. C. Omohundro, of the Norfolk club, when seen to-night, "I only wish it were true or had some grounds to hope it is true," he continued.

Mr. Omohundro would like to see Walker make the big league, but that he will be delivered to any club before the closing of the Virginia League schedule is not probable, as the one need of the Tars is pitchers at present.

Four Games Declared Illegal. New York, June 22.—Four Eastern League baseball games were declared illegal to-day by P. T. Powers, president of the league, who thus sustains the protest of the Toronto club that Shortstop McMillan, formerly of the Brooklyn National League club, and now with Cincinnati, had no right to play in them. The games must be played off on the same grounds on which they were first played. They are: Montreal at Rochester, June 4, and Rochester at Toronto, June 4, and 8. Montreal won, and in the series played at Toronto Rochester took two, and Toronto one.

## JEFFRIES INSTALLED IN HIS NEVADA CAMP

Work on Arena Under Way and Rickard Thinks His Troubles Are Over—Arranging for Langford-Ketchel Contest.

Reno, Nev., June 22.—James J. Jeffries to-night is installed in the training camp prepared for him at Moama Springs, three miles south of Reno, and work on the arena for the fight is under way. Promoter Tex Rickard says he is satisfied that State officers will make no attempt to interfere with the fight.

Promoter Sid Hester announced to-night that, having failed to get the use of the Jeffries and Johnson camp, he will take out a license and build an arena of his own to stage the Langford and Ketchel contest on the morning of July 4. This is the fight situation in Reno to-night.

Jeffries' new quarters are so crowded that only those actually connected with the fight's preparation can be with him there. Notwithstanding lack of room, however, Jeffries says he is thoroughly satisfied, and will remain at the place until the day of the fight. He and his party have a rose-covered two-story cottage, similar in style, but not in size, to that occupied by him at Ben Lomond, Cal.

By noon to-morrow most of the apparatus for gymnasium practice will be ready for use.

Pleased With New Camp. Corbett, Choyinski and others expressed themselves as well satisfied with the new camp.

While Jeffries looked longingly at the road this afternoon, he did not work. After a hot soda bath and a rub, he busied himself in straightening out his baggage.

To-morrow he will take to the highway for a little jaunt.

Jim Corbett has advised Jeffries not to undertake heavy road work as it would only serve to slow him down.

No reply to the telegram sent Governor Dickinson yesterday has been received by Rickard. The promoter expresses himself that no matter what pressure is brought to bear on Nevada's chief executive, the Governor will not interfere with the fight.

Still Rickard would rest easier if he had the Governor's personal assurance, and he is impatiently awaiting a telegram bearing the Governor's signature and promising immunity.

Rickard to-day said that if the fight were stopped in Nevada, he would not try to stage it elsewhere. But he felt sure that there would be no trouble in Reno.

Jeffries is Satisfied. Everybody to-night wanted to know just what Jeffries thought of Reno, as compared with Ben Lomond. If his replies to questions were pieced together, the composite statement would be about as follows:

"I wish to tell the people of Nevada, and of Reno in particular that I am glad the fight is going to be held in Reno. I can go ahead now, knowing that there is to be no further change in plans.

"I am in just as good condition as I ever was in my life, or better, and I can promise the people of Nevada that the white man's end of the 'battle of

the century' will be well taken care of on July 4."

Tom Flanagan busted himself to-day preparing for the negro champion's arrival Friday. Two boxing platforms are building beside the road house, picked out for Johnson's camp. One is to have a wooden floor, the other a floor of tamped earth.

"Johnson won't have any complaints to make when he sees the camp I've picked for him," Flanagan said. "Everything he needs for his work will be there, and the living accommodations are great."

### JACK JOHNSON ARRESTED.

Officers Break in His Camp and Take Him With Drawn Revolvers.

San Francisco, Cal., June 22.—Jack Johnson was taken to the city prison to-day on a charge of violating the automobile speed laws, having been arrested on one of the crowded business streets while driving his car. He was released on \$50 bail.

Johnson was arrested at his training camp, where he had locked himself in. Three policemen broke in and with drawn revolvers took the negro from the room. Under advice of Chief of Police Martin, a charge of resisting an officer was brought in one of exceeding the speed limit.

Johnson was at work again to-day, beginning his regular training with a long run on the road, after which he plunged into the ocean. After the run he went downtown to make preparations for his trip to Reno to-morrow.

### Richmond Collegians Defeated.

[Special to The Times-Dispatch.]  
Hampton, Va., June 22.—The Richmond Collegians this afternoon won a defeat on New Park diamond at the hands of the Hampton "Crabbers," by the score of 2 to 3, in an exciting baseball contest. Fitzpatrick, the pitcher for the visitors, knocked out a two-bagger and struck in two men, but was called out by Umpire Glachett for stepping over the plate. The decision brought forth a severe kick from the Collegians, who declared they would have won the game but for this act of the umpire. Glachett, the center fielder of the visitors, was over-whelmed by heat after the game, and had to be treated by a physician. The visitors returned to Richmond to-night.

Fast Time Made by Automobiles at Big Aviation Meet.

St. Paul, Minn., June 22.—Three world's automobile records were broken at the Twin City aviation meet at the State Fair Grounds to-day. Barney Oldfield lowered the one mile and two-fifths record for a circuit track, and Ben Kerschler set a new world's mark for three miles on a circuit track.

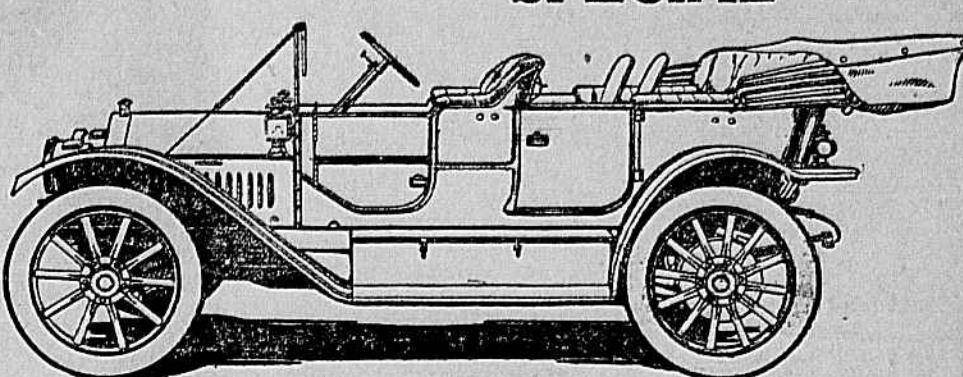

Oldfield, driving his 200-horsepower Benz, made both of his records in the two-mile event. Making a flying start, he made the first mile in 49 4-5 seconds and the second mile in 50 1-5 seconds, making the time for the two miles, 1:40. ## Some Baseball Talk

By HALF NELSON.

Jack Lawlor, who was to have reported to Owner Bradley in Richmond last night, had not come in at a late hour, but it is expected that he will meet the team here to-day. He is needed. Johnny Shaw didn't help himself any when he went on the bench and put the team in shape to be soundly whipped. Another member of the team is reported to have bent some with him, but his name wasn't mentioned and there is no necessity in digging it out after it is all over.

The affair does demonstrate, however, that if the Richmond management bring the Colts and keep a stricter hand on the players it would be of great benefit to the team. The baseball player who draws a salary for playing baseball should be in training all the while. And John Barleycorn has never been on the training table that won't yet.

Poor old Portsmouth! It's a shame that after starting out so well and going to the top and then dropping to the bottom and all that kind of thing she should be financially embarrassed. It's a shame.

In the meeting to-night the league magnates will dole out salary money and get a mortal lock on all receipts, and Portsmouth will never see the light again. A poor boy at a party will be a glorious thing compared to what the Richmond capitalists, who banked on the good thing last fall and put the coin in, will be when they go out on Saturday afternoon and see the Richmond crowd.

Considering that Portsmouth has failed to prove a really drawing card for four and a half seasons, there is a possibility of the magnates moving the franchise to Petersburg. Jack Grim is said to be camping on the outskirts, looking things over, and it is, or has been, said over the mahogany that he would bring the franchise to Petersburg if the proposition looks good to him. At all events, Petersburg men are coming over to-night to make an effort to have the franchise brought to that city.

If they do bring it up to Petersburg the Richmond park will have to be enlarged, because on every Saturday afternoon the population of Petersburg will get on the cars and come over to see the game. And if things are not run properly there will be great dolts.

Owner Bradley has got into communication with an insider named Howdell, who is now with the Newark club, and there is a possibility of his being brought to Richmond. Howdell is a third baseman and said to be rather fast. Nothing is said about his batting, but he is supposed to be a good batsman, and it is said that he is a good one.

—and let it be stated here that Brown is one of the fastest third basemen in the Virginia League, in spite of the error he made here last week—there do not seem to be any really good openings. Of course, if Shaw is to be fired for his performance in Roanoke, and Curley Brown is to be left off, there is an opening. But why swap an uncertainty for a good thing?

The owners and players may talk themselves blue in the face about the batting of the Richmond club, but there is where the weakness is. No pitchers in the world can win without batting, and the Colts do not bat consistently. Of course, they got nine hits off Andrade yesterday, but that number doesn't come in one game once a week. Other teams get batters, why not Richmond?

If the "well-founded rumor" that Carl Walker has been bought by the Chicago Nationals for the mere sum of \$2,500 is true, it is fine for Walker. It would also be fine for Portsmouth, if the dream that Manager Stafford had last week, that about 3,000,000 people were coming to each game and paying \$8 a head for tickets, would come true. Also, it would be great if —O, what's the use? Somebody has got to wake up, but it's a shame to throw the ice water. It's so pretty.

Carl Walker is a rattling fine pitcher.

county jail. The case will be heard to-morrow before Magistrate Puryear. Morris and his wife have been troubled with domestic infelicities for a long time, and early in the week the trouble came to a head. On Tuesday Morris lost his temper absolutely, and brought forth the razor. He hid from the officers who were chasing him, but Officer Tiller finally ran him down.
